(2) Except as provided by paragraph (1), the charge to duty on a conveyance or transfer of immovable property is -

- (a) 4% of the consideration, if the transferee is a Caymanian; or
- (b) 6% of the consideration, in any other case.

(3) For the purpose of this head of duty, the consideration shall be deemed to be the consideration recited in the instrument effecting the conveyance or transfer or the market value of the property conveyed or transferred, whichever is the higher, irrespective of any mortgage, charge, lien or other encumbrance to which it is subject, or of the actual form the consideration may take, the period, if any, over which the consideration is payable, whether or not the property conveyed or transferred is contained in one or more parcels or lots and whether or not the property is conveyed or transferred by one or more instruments, provided that in the case of the use of more than one instrument in respect of any one or more of the same parcels one such instrument shall be declared to be the principal instrument and shall recite the value of the property as hereby defined and shall bear the whole of the *ad valorem* duty subject to this charge, but so that where the parties desire to convey or transfer different parcels by different instruments, the *ad valorem* duty charged may be apportioned among such instruments:

Provided that where the Commissioner is satisfied that there is a conveyance or transfer to or from a land holding corporation (as defined in the Land Holding Companies Share Transfer Tax Law 2007 Revision (2007 Revision)) and the conveyance or transfer is, as the case may be, from or to a person or persons who in aggregate are the legal and beneficial owners of not less than forty-five per cent of the shares in the corporation then he may, in his absolute discretion, abate this charge to duty by such percentage, not being a percentage greater than such person's or persons' percentage holding in the corporation, as he shall think fit.

(4) For the purposes of paragraph (3), the market value of any property is the estimated amount for which a property should exchange on the date of valuation between a willing buyer and a willing seller in an arm's-length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently and without compulsion.

(5) For the purpose of this charge to duty the expression "conveyance or transfer" includes every instrument pursuant to which any land, strata title or interest therein is transferred to, acquired or enjoyed by another which shall

include the right to occupy the same or enjoy the rents and profits thereof, and includes any grant, bargain, assignment, release, foreclosure or disclaimer howsoever described but shall not include any instrument conferring or vesting such rights in a receiver or any lease or licence or agreement for a lease or licence.

(6) An instrument whereby an interest in land or strata title is conveyed or transferred to any person in contemplation of a sale of that interest shall be treated for the purposes of this Law as a conveyance or transfer on sale of that land or strata title for a consideration equal to the value contemplated in respect of that sale.

(7) A power or letter of attorney with respect to any immovable property given for consideration, or declared to be irrevocable, is chargeable to duty as a conveyance on sale. The exercise of a power of appointment to any interest in immovable property if exercised otherwise than by will is chargeable to duty as a conveyance on sale.

(8) For the removal of doubt it is declared that a sale in exercise of the power of sale of a mortgagee of immovable property is chargeable as a conveyance on sale of the whole of the immovable property subject to the mortgage:

Provided that no duty shall be payable under this head where the immovable property is situated outside the Islands.

(9) There is a charge to duty in the sum of fifty dollars in the case of-

- (a) a conveyance or transfer expressed to be for natural love and affection between a parent and a child or between spouses; or
- (b) a conveyance or transfer expressed to be for natural love and affection between children born of the same parent, or between a grandparent and a grandchild,

where it has been certified by the Commissioner to be a conveyance or transfer in respect of which he is satisfied that the provisions of this paragraph may properly apply.

(10) Notwithstanding paragraph (2), where land (other than land included in the Table to paragraph (1)) is transferred to a Caymanian for the purpose of his first owner-occupied home -

- (a) there is no charge to duty on the instrument effecting such transfer if-
  - (i) in the case of land with a building, the consideration is \$200,000 or less; or

- (ii) in the case of land without a building, the consideration is \$50,000 or less; and
- (b) duty at the rate of 2% of the consideration is chargeable on the instrument if -
  - (i) in the case of land with a building, the consideration exceeds \$200,000 but does not exceed \$300,000; or
  - (ii) in the case of land without a building, the consideration is exceeds \$50,000 but does not exceed \$75,000 or less.

An exemption of concession afforded by this paragraph in respect of duty shall be subject to such conditions as the Financial Secretary may think fit to impose in order to prevent exploitation of those provisions by persons who are not *bona fide* first home purchasers, or *bona fide* purchasers of land for first home building purposes.

HYPOTHECATION (see Mortgage)

INSURANCE ( see Policy of Insurance)

LEASE OR AGREEMENT FOR A LEASE OF IMMOVABLE PROPERTY OR ANY INTEREST THEREIN-

- (a) where the term exceeds thirty years-
  - the same duty as on a conveyance on sale upon the full value of the property or interest therein;
- (b) where any premium or other valuable consideration other than or in addition to rent is provided in the instrument and the term is thirty years or less-
  - the same duty as on a conveyance on sale upon the premium or other consideration;
- (c) where the consideration or any part of the consideration is rent and the term is thirty years or less-
  - (i) if the term does not exceed five years, a duty equal to 5% of the average annual rent:
    - Provided that if the term is for less than one year, then the duty shall be equal to 5% of the aggregate rent to be paid;

- (ii) if the term exceeds five years but does not exceed ten years, a duty equal to 10% of the average annual rent; or
- (iii) if the term exceeds ten years, a duty equal to 20% of the average annual rent.

For the purpose of paragraph (c), the average rent shall, for the purpose of calculating duty, if a rent at other than market value is provided in the instrument of lease, be declared at the market value having regard to any premium charged.

For the purpose of this head of duty, the market value of rent is the estimated amount for which the property should let on the date of valuation between a willing lessor and a willing lessee on appropriate lease terms in an arm's-length transaction after proper marketing wherein the parties had acted knowledgeably, prudently and without compulsion.

In calculating the length of a term for the purpose of this head of duty, the term shall be deemed to cover any period by which, by the exercise of an option or other arrangement or device, the lessee or his assigns may have power to extend the said term.

Where in any term a possible increase of future rent is left to be settled by any agreement with or without arbitration, the instrument of lease shall, when such increase of rent has been ascertained be stamped up with the balance of duty which would have been payable had the actual average rent for the whole of the term been ascertainable at the commencement thereof; but until such increase has been ascertained the average annual rent shall be calculated without allowance for such increase:

Provided that, in any case where it is apparent that such possible increase of future rent cannot be less than a certain amount, then without prejudice to the obligation to stamp up the instrument of lease with the balance of duty after the average annual future rent has been ascertained, such minimum future rent shall be included in the calculation of the actual average rent for the whole of the term when duty is first calculated on the instrument of lease.

Provided further that no duty shall be payable under this head where the immovable property or the interest therein is situated outside the Islands.

MORTGAGE, being a security by way of a mortgage for the payment of any definite sum of money advanced or lent at the time or previously due and owing, or forborne to be paid, being payable or for the repayment of money to be thereafter lent, advanced or paid or which may become due upon a current account, together with any sum already advanced or due or without, as the case may be, howsoever the instrument creating the same may be described-

- (a) being a debenture or a legal or equitable mortgage or charge of immovable property -
  - (i) where the sum secured is \$300,000 or less-1% of the sum secured; or
  - (ii) where the sum secured is more than \$300,000 whether initially or after further advance-1.5% of the sum secured:
- (b) being a legal or equitable mortgage or charge of movable property of movable property (not including a debenture but including a bill of sale)-1.5% of the sum secured;  
Provided that-
  - (i) no duty shall be payable under subparagraphs (a) and (b) where the property is situated outside the Islands; and
  - (ii) in the case of a legal or equitable mortgage or charge granted by an exempted company, an ordinary non-resident company (as 2004 Revision defined in the Companies Law (2004 2001 Revision Revision)) or an exempted trust (as defined in the Trusts Law (2001 Revision)) or a body corporate incorporated outside the Islands of moveable property situated in the Islands or over shares in such exempted company or an ordinary non-resident company, the maximum duty payable shall be five hundred dollars; and
- (c) being a collateral, auxiliary, additional or substituted security by way of further assurance where the principal or primary security under paragraph (a) has been duly stamped- \$30
- (e) being a Release of Mortgage of immovable property whether by way of transfer, surrender, discharge or other instrument howsoever called- \$25

Where the amount of money to be advanced on the security of any property by way of mortgage is unlimited, the security is to be available for such an amount as the *ad valorem* duty paid thereon extends to cover, and if any advance is made in excess of the amount covered by that duty, the security shall, for the purpose of stamp duty, be deemed to be a new and separate instrument bearing the date on which the additional advance is made, but the original instrument may be stamped-up with the additional *ad valorem* duty required to cover the total amount then to be secured and in that case the date of such stamping-up shall be recorded accordingly. These same provisions for stamping-up shall apply in the same manner to any variation of a mortgage securing a fixed amount of money.
